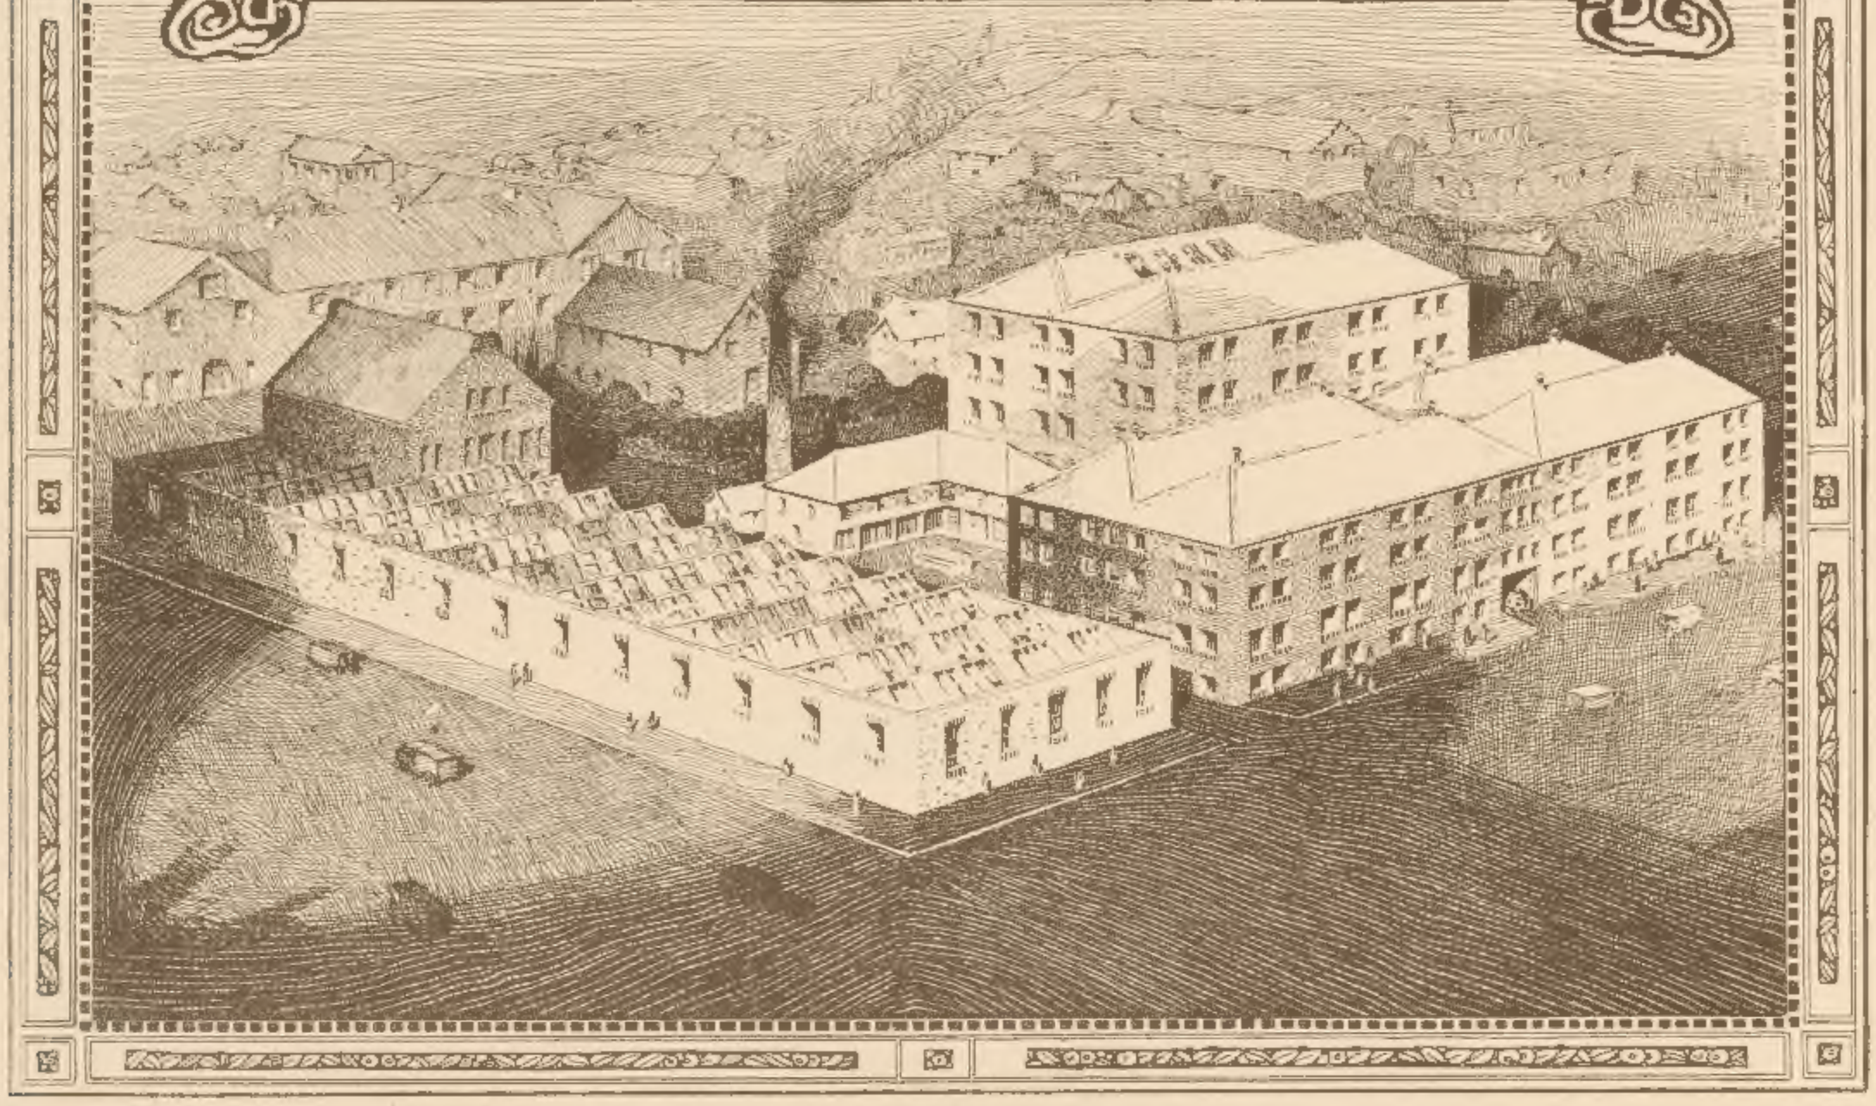
BEARD·WATSON'S·FACTORY



AN aeroplane view of our Redfern Furniture Factory and Stores. Here is to be found the birthplace of those "quality" products which have made a name for themselves throughout the length and breadth of the Commonwealth of Australia. In a large stock of naturally seasoned timbers, both native and imported, is the foundation of success laid. Without this beginning, no organisation nor craft skill avails to make good furniture. It is so much effort wasted, but with this advantage secured, interesting design, modern methods and machinery, and some of the most skilled work in the country, can be combined to produce the fine goods of sterling value associated for so many years with Beard Watson's name. Reserve stocks of finished goods are held here for the replenishment of the George Street Showrooms, and here also is housed a section of our storage business. We are glad at all times to show our factories to those of our customers who may be interested in such matters.

The departments represented at George Street are as follows:—

FURNITURE, CARPETS & FLOOR COVERINGS, CURTAINS & SOFTGOODS FURNISHINGS,
CHINA AND GLASS KITCHENWARE HOUSEHOLD LINENS
REMOVAL AND STORAGE.
